

At Bradford Academy

Dear Concerned Parents,

As a part of our commitment to providing your student with the best learning tools available, Bradford Academy has partnered with **Shmoop** University to provide you with free (yes, actually free, not like “free but with strings attached”) access to hundreds of dollars worth of **Shmoop** Online Test Prep.

Your Students Get Free Shmoop Accounts Here:

<http://www.shmoop.com/signup/bradford>

Enter the Magic Word: **BRADFORDROCKS**

Once students have their own, personal Shmoop account, they will be able to access **100s of practice exams, 1000s of drill problems, and review guides to all the topics** that will be on the exams. Each practice problem comes with in-depth explanations, and even projected exam scores to help your student prep for the big day. Shmoop currently offers individual prep programs for the ACT exam for your student.

No passes needed to check out SHMOOPSTERPIECE THEATER!

Visit www.shmoop.com/video to view a few of the “How to Shmoop?” and “What is Shmoop” video tutorials.

We encourage YOU, the parents’ to be involved, and even try to use your noodle. Log-in, take a few drills, use the vocabulary flashcard, explore this Shmoop World! It Speaks your student’s languages, so perhaps we can teach you a thing or two.

Visit us at Shmoop.com! We look forward to your support.
